Financial Impact

TTA= History of Excellence

The Town of Tonawanda Aquettes is an elite competitive synchronized swimming team of girls ages 9-19 under the auspices of the Town of Tonawanda

Youth Parks and Recreation Department, Mark Campanella, Sr, Superintendent.

The Club has been a registered amateur team since 1961, founded by Recreation Director Franklin J.J. Diemer and head coach, Dorothy Sowers (WNY Sports Hall of Fame Award Recipient). Since that time, the Aquettes have won many Niagara Association Figure Championships; Niagara Association Solo, Duet, Trio, Team Titles; Empire State Games Titles; East Zone/Regional/Sectional Titles; Junior National Gold Medals; National Junior Olympic Gold Metals; National Age Group Titles; and 3 International Titles.

TTA= Scholar Athletes

The Aquettes have earned a long-standing tradition of excellence both in and out of the water. They are widely regarded as very poised, well-rounded young ladies. Ninety percent (90%) of the swimmers throughout the years have been recognized as scholar athlete/honor students and exemplary leaders in their school communities. All of their graduating seniors go on to college with most earning an advanced degree.

TTA= Responsible Citizens

Just as importantly, within our WNY community the girls on this team collectively clock in hundreds of hours of community service each year. Since the inception of this team the coaches have always stressed the importance of giving back to the community- working with Ken-Ton Kiawanas, Meals on Wheels, Block of Dimes, and Diemer Day just to name a few. By supporting this team you can be sure that your efforts will be paid forward in some way!
